6. PRIZE DRAWS: Prize draws will be held in Surrey, British Columbia, within approximately ten (10) business days of the end of each calendar month during the Contest Period. Winners will be determined by random drawing from all eligible entries received during the applicable calendar month. The odds of winning depend on the number of eligible entries received. The odds of an entry winning any Prize will be the same, whether the entry was automatically generated or by alternate means of entry.

7. PRIZE AWARDING: Prizes will be awarded only on verification by the City that all Contest requirements have been met by the winners. Each Prize must be accepted as awarded and no substitution, transfer, conversion or assignment of Prizes will be allowed, unless at the discretion of the City which may substitute a Prize of comparable or greater value. Winners will have two (2) business days from notification to accept the Prize by email, and will be instructed whom to contact at that time. The City is not responsible for and shall not be liable for late, lost, misdirected, or unsuccessful efforts to notify the winner. If a selected Entrant cannot be contacted or fails to respond within the allotted time the City reserves the right to void that entry and select another eligible Entrant for that Prize (and in the event that the subsequent selected Entrant cannot be contacted or fails to respond, a further Entrant will be selected, until a winner is determined, provided further that in the event that a winner is not determined after attempts have been made to contact 3 Entrants, the City may elect not to conduct any further redraws and not award such Prize). In order to be declared an official winner, the selected Entrant(s) must correctly answer a time-limited, skill-testing mathematical question without mechanical or other assistance. The selected Entrants may be required to complete, and return to the City a web-based Winner Notification Survey within two (2) days of receipt. If a selected Entrant(s) fails to complete, and return the web-based Winner Notification Survey to the City within two (2) business days and/or provides an incorrect answer to the skill-testing mathematical question, the City reserves the right to void that entry and select another eligible Entrant for that Prize. By completing, and returning the web-based Winner Notification Survey, the Entrant: (i) confirms compliance with these Contest Rules and Regulations; (ii) releases and forever discharges the City, their affiliates and subsidiaries and their advertising and promotional agencies from all claims, demands, damages, actions and causes of action arising or to arise by reason of the acceptance or use of the Prize; and (iii) gives permission to the City, at its option, to publish or otherwise use the Entrant's name, address, photograph, voice and comments, without compensation, in any publicity carried out by the City or its advertising agencies.
